

# Indemnification for After School Transportation from Purchase Elementary School to Purchase Community House

I have authorized First Student to provide after school transportation from the Purchase Elementary School to the Purchase Community House. In doing so, I affirm that the foregoing bus service is safe and poses no increased risk of harm to my child. I understand that the Harrison Central School District, the Board of Education, its members, employees and agents have relinquished physical custody over my child and owe no duty of care to my child, once my child boards the bus operated by First Student.

Accordingly, I, \_\_\_\_\_,
