

Library Use During Purchase Community House After School Activities

ASSUMPTION OF RISK AND WAIVER AND RELEASE OF LIABILITY

The undersigned, being the legal guardian of the child listed below, understands that the Purchase Free Library is an independent organization that leases its own space inside the Purchase Community House from the Purchase Community, Inc. I acknowledge that the Purchase Community, Inc. and its staff do not manage the library's premises and are not involved in its policies and procedures regarding security, programming, maintenance, personnel, supervision or any other matter. I will pursue any and all remedies for any issues regarding my child's use of the library premises solely with the Purchase Free Library.

I give permission to the Purchase Community, Inc. staff to allow my child to leave the Purchase Community House programs on his or her own to access the library without supervision being provided by Purchase Community, Inc. I voluntarily assume any and all risks associated with and take full responsibility for my child's use of the library space and hereby release, hold harmless and covenant not to sue the Purchase Community, Inc, its directors, officers, employees, agents, and contractors, on account of or in connection with, any claims, causes of action, injuries, damages, costs or expenses arising out of my child being permitted to use the library premises, whether or not alleged to be resulting from the negligence or other fault of Purchase Community, Inc. I have read this waiver and release, understand its terms and am executing this document freely and voluntarily.

This Assumption of Risk and Waiver and Release of Liability contains the sole and entire understanding and agreement with respect to the subject matter hereof, and there are no verbal or collateral understandings, agreements or representations being relied upon not expressly set forth in this instrument, and any and all prior discussions, representations, or understandings regarding the subject matter hereof are hereby superseded.
