Date of Hire ____/____/____ Month Day Year		Eligibility Date ____/____/____ Month Day Year			
Purchase Community, Inc. 401(k) Plan				698618	
Employer's Name				Contract ID Number	

2. Disclosures

- ◆ All future contributions, including rollover amounts, will be invested according to the investment percentages you choose in Part 3.
- ◆ If your Employer's plan permits investments in both the Guaranteed Interest Option and the EQ/Money Market Fund, certain limitations may apply to assets transferred out of the Guaranteed Interest Option into any other investment option. Refer to your program summary before allocating any amounts to the Guaranteed Interest Option if your plan also permits use of the EQ/Money Market Fund.
- ◆ The Personal Income Benefit (PIB) guarantees that for an additional charge, and subject to certain conditions, you can take Guaranteed Annual Withdrawal Amount (GAWA) payments from the PIB Variable Investment Option up to a certain amount per year (based on the Participant's Birthday Anniversary) for life. You must be at least age 21, but not older than age 85, in order to allocate or transfer amounts to the PIB Variable Investment Option. You should carefully review the Retirement Gateway Program Summary before investing in the PIB Variable Investment Option. The annual charge is deducted from amounts in the PIB Variable Investment Option at the end of each calendar quarter.
- ◆ The Personal Income Benefit may have limited usefulness in connection with contracts funding tax-qualified programs because partial withdrawals made to satisfy the minimum distribution rules might result in a dollar-for-dollar or proportional reduction in the benefit base or an inability to exercise the benefit altogether. If you plan to exercise the benefit before or after your required minimum distribution beginning date under the specified contract, you should consider whether the Personal Income Benefit is appropriate for your circumstances. You should consult your tax advisor.

3. Fund Section

If your percentages total more than 100%, any contributions received will be invested 100% to the “default” option under your Employer’s plan. If your percentages total less than 100%, then the contributions received will be invested according to your instructions with the remaining amount invested in the “default” option.

Should your funds total more or less than 100%, your plan’s Retirement Plan Account Manager (RPAM) will contact you for clarification. Please note: Percentages cannot be allocated into the IDA. These elections may be changed via touch-tone telephone by using our automated voice response unit (VRU) at (800) 528-0204 or the Internet at www.equitable.com. **Use whole percentages only.**
